As the school aims to optimise curriculum time and encourage a culture of continuous learning instead of learning just for the examinations, lessons will resume on the 28 October 2022 after the Year-End Assessment. During the said period, the remaining topics for the year will be taught and Clementians will be assessed on their learning before school closes for the year-end holidays. The topics covered during that period will be included in next year's assessment to ensure that Clementians continue to revise what they had learnt in the previous year.

2. Study Break for P6 students from 26 to 28 September

As communicated by MOE via PG App on 1 September, the Ministry of Education will be implementing a study break for Primary 6 students from 26 to 28 September as an additional measure to support student well-being and minimise any risk of school-based COVID-19 transmission prior to the PSLE.

During the study break, P6 students are strongly encouraged to remain at home. Students who require assistance from their teachers may do so through online consultations. Schools will remain open for P6 students who require in-school support. Parents/guardians who are unable to secure alternative care arrangements may also approach their child's/ward's school for assistance.

Student Care Centres in schools will remain open in the afternoons during the study break for families who require the service.

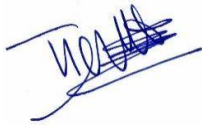

3. Mask Wearing in Schools

With effect from 29 August, it is optional for students to wear masks in all school settings, including national examinations. We will continue to promote a safe school environment, which includes wiping down high-touch surfaces and visual screening of students' well-being. Your child/ward may continue to wear a mask if preferred.

We look forward to your partnership in making Term 4 a fulfilling school experience for our Clementians!

Thank you and keep safe!

Yours sincerely,

Mr Vimalenthiran Vijayasingam
Principal
