CTP/2026/P/VP/041

16 Mar 2026

Dear Parents / Guardians,

Welcome to Term 2 of 2026!

We would like to express our heartfelt gratitude for your unwavering support and partnership throughout Term 1. Thank you for your strong support during the Primary 1 Back to School Day held on 6 February, the Networking Session with Form Teachers for Primary 2 to 5 Clementians conducted over two days on 29 January and 5 February, and the P6 Parents' Briefing also held on 29 January. We would also like to thank parents who volunteered at our school activities. Your involvement played a crucial role in Clementians' holistic development. Thank you for your continued trust and support. We look forward to continuing this journey together in the upcoming terms.

1. **Responsible Use of Social Media**

- 1.1. The use of social media by primary school students has a profound impact on their development and well-being. While social media platforms offer opportunities for communication and connection, they also present risks such as exposure to inappropriate content, cyberbullying, and decreased face-to-face interaction. In Singapore's digital landscape, it is crucial for strong school-home partnership in educating our students on responsible digital citizenship and netiquette.
- 1.2. We urge all parents and guardians to supervise your child's/ward's interactions and participation on social media platforms, such as Facebook, Instagram, TikTok and WhatsApp. The registration policy of these platforms specifies that they are meant for those aged 13 and above. Primary school students under the age of 13 are not allowed to set up their own social media accounts. If family social media accounts have been set up, please supervise your child's/ward's use of these platforms closely and ensure all interactions are appropriate.
- 1.3. Many students spend significant time watching TV and using computers, gaming consoles, tablets and smartphones. In line with the guidelines from MOH and MOE on healthy screen time practices, children aged 6-12 years should have consistent limits on recreational screen time to ensure adequate sleep, physical activity, and other healthy behaviours. Please establish screen-free periods 1 hour before bedtime and create device-free zones during family meals.
- 1.4. Recently, students have been creating unsupervised class chat groups, which have led to incidents of disrespectful conversations and potential cyberbullying. At this point, there is no educational need for your primary school child to be in any unsupervised online chat groups. If your child is part of any chat group, please actively monitor all conversations, ensure respectful communication, and remove them from groups that foster negativity. Report any concerning online behaviour to the school immediately.

- 1.5. Following the digital wellness framework from MOE, please model healthy digital habits at home, engage in regular conversations about online safety with your child, and establish clear family rules and consequences for inappropriate online behaviour. Encourage outdoor activities, sports, and face-to-face social interactions to promote balanced development. Together, we can ensure our children develop a healthy relationship with technology while prioritising their physical, mental, and social well-being in Singapore's digital society.

2. Stamping out Vapes

- 2.1 MOE and schools take a “zero tolerance” stance on vaping. Once caught, the school will take action. The school-based disciplinary measures will be in addition to the penalties that the Health Sciences Authority will impose. We have a fundamental responsibility to develop character and instill values in Clementians.
- 2.2 As parents, you are important protective factors for your child(ren). Let us work together to ensure Clementians stay away from vapes. You may refer to the following tips to have open conversations with your child(ren) about vaping:
- Be Casual: You can bring up the topic casually, like if you and your child(ren) see vaping content on social media, a vape report on the news, or someone vaping.
 - Be Curious: Ask your child(ren) what they know or think about vaping. You might be surprised by how much they already know. Thank them for sharing their thoughts and fostering an open dialogue.
 - Be Candid: Then, share your own feelings about vaping in a simple and open way. For example, you could say, "When I see people vaping, I worry about their health. Vaping has a lot of health risks and it's not worth it. I want to help you figure out what to do if someone offers you a vape."
- 2.3 For more details, you may refer to the following link for the Parent's Guide on Vaping (Families for Life): <https://file.go.gov.sg/parents-guide-vaping.pdf>

3. Encouraging Clementians to be Independent

- 3.1 In the Term 1 School Notification this year, parents'/guardians' cooperation was sought to help Clementians develop good self-management skills and be more independent. Clementians should continue to take personal responsibility to ensure that they are ready for school. This involves completion of homework and packing of school bags and personal belongings for the next school day. Parents/ caregivers should refrain from delivering these items to school, with the exception of essential medication.
- 3.2 If your child forgets his/her pocket money, he/she may approach the General Office for assistance.
- 3.3 We seek your understanding and cooperation to partner the school to help foster greater independence and sense of responsibility in Clementians.

4. Traffic Condition along Clementi Avenue 3

In the Morning

- 4.1. The traffic situation outside the school main gate along Clementi Avenue 3 is very congested in the morning especially between 7.00 am and 7.30 am, when students from both Clementi Primary School and Clementi Town Secondary School commute to school. This bottleneck situation not only results in frustration and stress but also poses safety concerns due to the chaotic traffic flow.

- 4.2. To alleviate this issue, **we appeal to parents driving Clementians to school to stay on the left lane and wait patiently for your turn to drive into the school. Overtaking the vehicles turning into Clementi Town Secondary School will likely cause traffic on both lanes to be blocked, worsening the situation.** We would also encourage all to drive in earlier to avoid the peak hour traffic congestion and ensure the safety of your children. We would also strongly recommend all parents to consider dropping off at Gate 9 (marked with a star below) where traffic conditions are lighter.

- 4.3. To ensure smooth traffic flow and everyone's safety, we would also like to remind all drivers of the following:
- (a) Stop your vehicle at the furthest alighting point along the covered driveway which can accommodate four vehicles at any one time;
 - (b) Remind your child/ward to sit on the left side of the car and be ready to alight independently as soon as your vehicle comes to a stop;
 - (c) Do not allow your child to alight before the alighting points;
 - (d) Drive carefully when it rains, and the delay in getting to school on time on such days is understandable;
 - (e) Consider dropping your child/ward at Gate 9 besides the Clementi Cascadia HDB estate pavilion instead.

During and After School Dismissal

- 4.4. Please do not wait in your vehicle outside the school along Clementi Avenue 3 as this will affect traffic flow. We seek your cooperation to park at the nearby HDB car parks and pick up your child/ward from school.

4.5. The school gate policy that applies from 2 pm onwards after school dismissal is reiterated here:

- (a) vehicles will be permitted to enter the school premises for pick-up purposes;
- (b) due to the school's small parking area and short driveway, parents are to "pick-and-go";
- (c) 2 parking lots will be reserved for parents with waiting time of up to 5 minutes (see Photo 1 below);
- (d) no parking is allowed in the staff parking area (see Photo 2);
- (e) if your child is not at the foyer when you arrive and the 2 parking lots are occupied, we seek your understanding to park at the nearby public car parks and walk over to the school to fetch your child. The public car parks near Clementi Primary School are located at Blk 435 Clementi Ave 3, the car park at Clementi Cascadia and the HDB car park at The Clementi Mall.

5. Important dates for Term 2, 2026

Date (Day)	Activity	Remarks
23 Mar (Mon)	School Holiday	Hari Raya Puasa Off-in-Lieu
1 Apr (Wed)	Attendance and Temperature Taking Exercise (ATTeX)	Clementians are reminded to bring thermometers to school.
2 Apr (Thu)	Hari Raya Puasa Celebration	All Clementians are encouraged to come in their ethnic costume/going-out attire and white school shoes.
3 Apr (Fri)	Good Friday	Public Holiday
10 Apr (Fri)	International Friendship Day	School hours as usual, Clementians are encouraged to come in their ethnic or international costume/going-out attire and white school shoes.
20 Apr (Mon)	P6 NAPFA (5 Stations)	After school
27 Apr (Mon)	P6 NAPFA (5 Stations)	After school
4 - 15 May (Mon - Fri)	P3 Weighted Assessment 1 P4-P6 Weighted Assessment 2	Clementians will be notified by their subject teachers on the specific dates of the WAs.
1 May (Fri)	Labour Day	Public Holiday
18 – 21 May (Mon – Thu)	Rocket Week	More information will be shared at a later date.
22 May (Fri)	CT-lympics (Upper Primary Sports Day for P4-P6 Clementians)	No school for P1-P3 Clementians. More information will be shared at a later date.
25 May (Mon)	Home-Based Learning	No school for all levels
26 May (Tue)	Evacuation Drill to External Holding Area	P4 Clementians
28 & 29 May (Thu & Fri)	Child-Teacher-Parent (CTP) Conference	Clementians are to attend CTP Conference with their parents/guardians. More information will be shared at a later date.

6. Conduct of Attendance and Temperature Taking Exercise (ATTeX)

- 6.1 The ATTeX is conducted yearly and aims to maintain schools' preparedness to re-activate the attendance and temperature-taking regime should the need arise and to educate Clementians on personal responsibility for their own health and social responsibility.
- 6.2 The 2026 ATTeX will be conducted on **1 April 2026 (Wednesday)**. Clementians should have a working personal thermometer in their bags, not just for the exercise but all the time.
- 6.3 Clementians who are unwell should rest at home and not come to school as part of social responsibility.

7. Child-Teacher-Parent (CTP) Conference 2026

- 7.1 Our school will be holding the CTP Conference on **28 May 2026 (Thursday)** and **29 May 2026 (Friday)**. Our teachers will discuss your child's/ward's learning progress with you and your child/ward.

- 7.2 **Lessons will be suspended on 28 May 2026 (Thursday) and 29 May 2026 (Friday).** Do note that your child/ ward is to be present at the CTP Conference. More information on the CTP Conference and instructions on making appointments will be shared at a later date.
8. **National Physical Fitness Award (NAPFA)**
- 8.1 NAPFA is conducted for P4 and P6 students each year. Clementians will learn about the various NAPFA test items and how these can be used to understand the different components of health and skills related to fitness.
- 8.2 Our Primary 6 Clementians will take their NAPFA station tests on Monday afternoons in Term 2 Weeks 5 and 6. For the 1.6km run/walk, it will be conducted during PE lessons between Term 2 Weeks 4 and 7.
- 8.3 Primary 4 Clementians will take their NAPFA test in Term 3.
- 8.4 More details on the NAPFA tests for both levels will be sent out via Parents Gateway nearer the respective test period.
9. **Rocket Week**
- 9.1 The Rocket Week (18 – 21 May 2026) is an experiential week filled with student development experiences, allowing Clementians to learn beyond the classroom. Through specially curated activities aligned with the development of Emerging 21st Century Competencies (E21CC), Clementians will have opportunities to participate in a variety of programmes, including learning journeys to museums, heritage centres and other educational venues. More information will be shared at a later date.
10. **CT-lympics (For P4-P6 only)**
- 10.1 CT-lympics will be held on **22 May 2026 (Friday)**, at the end of Rocket Week. To end off the week's experiential learning activities, P4–P6 Clementians will participate in a series of sports and team-based challenges that promote teamwork, sportsmanship and resilience. There will be **no school for P1–P3 Clementians** on this day. More information will be shared at a later date.
11. **Evacuation Drill to External Holding Area for Primary 4 Clementians**
- 11.1 As part of the school's preparation for emergencies, the school will be conducting an evacuation drill to an External Holding Area (EHA) on 26 May 2026 (Tuesday) in the morning. As the EHA site is new, we will only involve the P4 Clementians for this drill. More details will be shared closer to the event.

We look forward to a rewarding Term 2 for your child/ward, and your continued cooperation as partners in education.

Yours sincerely,

Mr Vimalenthiran Vijayasingam
Principal
